

Copilot Adoption Factory

Get 10 Free Copilot Licenses For a Whole Year

Join Two Essential Training Sessions

- **Guided Adoption** - An overview of the business benefits of M365 Copilot through persona-based ROI scenarios.
- **End User Training (1:1)** - designed to drive end user adoption by supporting all users in understanding the basics of how to effectively use prompts in M365 Copilot and leverage across tools like PowerPoint, Teams, Word, and Excel. Includes demonstrations.

Claim Your Free Copilot Licenses

Please note, to claim our free Copilot licenses, ensure your NCE base licenses were procured via Datalink and TD SYNEX.

Complete the Training, Reap the Rewards:

After enriching your knowledge with both sessions, celebrate as **10 FREE Copilot licenses** are yours, courtesy of TD SYNEX and Datalink Networks.

Experience Firsthand

These free licenses are your ticket to discovering the full capabilities of Copilot. See the difference it makes when your tasks are managed with precision and ease.

Act Fast, Offer Ends June 30th
